libano, donde estados unidos, europa y judios participan en este genocidio, iran donde la oposicion esta siendo apoyado por estados unidos y la europa fascista.....

estados unidos esta siendo gobernado por judios, al igual que toda europa...

los palestinos se van a dejar asesinar, al igual que todo el mundo islamico...

la lucha se llevara a europa y paises que participen en el genocidio de los palestinos y del mundo islamico, que estan siendo masacrados, y si se defiende les llaman terrorismo, cuando el terrorismo son estados unidos, judios,europa y otros paises que participa en un gran genocidio mundial, de muchos paises, donde palestina y todo el islam esta siendo asesinados,por poseer materias primas, y crean multinacionales y empresas en esos paises, donde controlan a sus gobiernos y todo...

hoy por hoy el mundo arabe e islamico esta siendo masacrado, niños,mujeres y hombres....

y el mundo no hace nada para detener este genocidio....

al final traera un levantamiento mundial en armas, la gente se cansara de ver esta masacre....

to the Palestinians and the Islamic world that this being slaughtered and murdered, for united and Jewish states, and europa countries that it participates in this genocide, Palestinian takes years being murdered and removing them her lands, irak, country slaughtered by economic interests, one is the petroleum distributed between united states and other countries, apart from the allotment of businesses created in irak, paquistan, afganistan, countries where the murderers of united states and European countries, also make massacres for economic interests....

libano, where united states, europa and Jews participate in this genocide, they will go where the opposition this being supported by united states and the Fascist europa.

united states this being governed by Jews, the same as all europa...

the Palestinians will allow to murder, the same as everybody Islamic...

the fight was taken to europa and countries that participate in the genocide of the Palestinians and of the Islamic world that you/they are being slaughtered, and if

he/she defends them they call terrorism, when the terrorism is united states, Jews, europa and other countries that it participates in a world great genocide, of many countries, where Palestinian and the whole islam this being murdered, to possess matters cousins, and believe multinational and companies in those countries, where they control its governments and everything...

today per today the Arab and Islamic world this being slaughtered, children, women and men....

and the world doesn't make anything to stop this genocide....

at the end he/she will bring a world rising in weapons, people got tired of seeing this massacre....

16:127 - "do not distress yourself because of their plots, Allah is with those who are righteous"

these posts only create an environment of suspicion against those whom we have to invite and take to paradise.

refrain from such things and be with Allah, Allah is with righteous, and Allah said "as for those who strive in Our cause we will certainly guide them to Our paths" {29:69}.

Being on God's cause makes Allah come and stand next to you, refrain from such things and devote your time to what time should be devoted for.

peace be on you.

i only seek good for people who are involved in such things. do go through "God's cause" in Quran and sunnah section.

may Allah guide all.

The whole world is like Hazrat Umar but no one is like his sister and brother in law.
